Caleb: Thaddeus McCotter, reporting for duty.
me: I like the fact that he plays guitar
Caleb: I like the fact that he plays Hulk Hogan's guitar.
me: oh
me: that changes things
Caleb: For reference:
Caleb: http://www.youtube.com/watch?v=GGuhZvO1DKg
me: I actually just watched that again three days ago
me: Quadafi in the news and whatnot
Caleb: Ugh.
Caleb: Just thinking about him makes me want to rip my shirt off.
me: Jesus. Do you know how GAY that sounds?
me: Listen to yourself.
Caleb: I don't know what this is, but you should probably watch it:
Caleb: http://www.youtube.com/watch?v=e46JiBNYE0Y&NR=1
me: Ughh
me: More videos?
me: I really don't have the time.
me: I'm busy watching other videos.
Caleb: What videos are you watching, bro?
Caleb: Maybe I would like to watch them too.
me: I'm busy listening to my gf talk on the phone
me: for ten minutes
me: partially about how she wants me to respond to the various random messages she sends me
Caleb: It's my understanding that she didn't take her adderall today, so be careful.
me: it is also my understanding
me: she mentioned that to me
me: I know all kinds of things about not only herself but her friends with whom she is staying
Caleb: It's also my understanding that she is staying with her "31 y/o niece and her BF and two friends" and they "are having a Game of Thrones watching party" and that "now there is pizza."
Caleb: So, yeah.
Caleb: Keeper.
